Alliance Canadienne des Franchisés

2021 MEMBERSHIP APPLICATION

open to all Tim Hortons Franchisees

Thank you for joining the **Alliance of Canadian Franchisees**. Our purpose and values for 2021 remain the same:

- We exist to foster and promote the interests of our Members who are doing business as Tim Hortons Franchisees.
- We will advocate for our Members with the intent of establishing a constructive, collaborative and mutually respectful relationship with the Franchisor.
- We will be professional and respectful in all of our dealings and act with integrity at all times.

PLEASE NOTE: If you are renewing, please just include your name, cell # and check the first box. If any of your contact info has changed, please update below. If you are a **first-time member**, we need you to complete the entire form and then decide if you want to join as ANONYMOUS or NON-ANONYMOUS. The ACF does not confirm or deny anyone's membership if asked. This is strictly private and confidential.

ANONYMOUS means you need to communicate with HimelfarbProszanski as indicated below. Only they will know that you are a member. Send your application and cheque to them please. If you are a new member, you will receive your confidential (acf.ca) website password.
